**ORDER DENYING PLAINTIFF'S
MOTION AND GRANTING
DEFENDANT'S MOTION**

07 Civ. 3506 (AKH)

ALVIN K. HELLERSTEIN, U.S.D.J.:

Plaintiff Laureta M. Salmo brought this action challenging the decision by the Commissioner of Social Security ("Commissioner") denying Plaintiff disability benefits. Plaintiff and Defendant brought cross-motions for judgment on the pleadings pursuant to Rule 12(c), Fed. R. Civ. P. For the reasons stated on the record, I deny Plaintiff's motion and grant Defendant's motion. Because I find that the decision entered by the Commissioner was supported by substantial evidence, the Commissioner's decision is affirmed. The Clerk shall mark this case closed.
